Mr. David F. Thomas

Dear Mr. Thomas:

This is to verify your report of January 16, 1950. You were listening to WLOW operating on a frequency of 1410 kc's, with 1000 watts from Norfolk, Va., between 4:00 & 5:00 AM, E.S.T.

Your record of our programming was checked against our log and found to be O.K. The program features music by Western and Hillbilly stars, with requests and dedications gratefully accepted, so why not drop a line to "The Early Bird", c/o Station.

Thank you very much for taking the time to write. Lots of good DX'ing.

Sincerely,

AL MIAN  
Ass't. Ch. Eng.
