December 5, 1931

Mr. D. F. Thomas,
Proctorville, Ohio.

Dear Friend:

This will acknowledge receipt of your letter commenting upon the reception from W.M.B.G., December 1st. 1931, and also verifies the program heard.

We wish to thank you for your interest, and assistance in making this test period a success, the results have been really surprising.

We have received more comments from this particular program than ever before, and undoubtedly the morning of December 1st. was an ideal one for radio reception.

We have received comments from the following states and from many localities within each state. They are as follows:

Rhode Island, Pennsylvania, New York, New Jersey, Massachusetts, Indiana, Ohio, Maryland, Michigan, Delaware, Florida, North Carolina, Illinois, Ontario Canada, Connecticut, Alabama, New Hampshire.

We are enclosing an EKKO verification stamp, and invite you to tune in again on the morning of December 15th. at 3:30 A.M. when another test period will be broadcast for the purpose of having our frequency checked by the Radio Division of the Department of Commerce.

Trusting we will have the pleasure of again hearing from you at that time, and assuring you of our appreciation for your cooperation and assistance, we are,

Cordially yours,

HAVENS & MARTIN, INC.

By W. H. Wood
