WHPV7

Chief Engineer

Broadcasting from Prince William County, Virginia,

THE GATEWAY TO DIXIE

Note: Historic Manassas, Va., located 25 miles west of Washington, D. C., is the site of two of the major battles of the War Between the States, the First and Second Battles of Manassas (Northern historians refer to them as the First and Second Battles of Bull Run). The National Park Service maintains the battlegrounds, museum, and historic landmarks.
