most all reports mention both KBOX and other stations that was on and off during dx prog. although none except you could get on/off stn strong enough to cover me up or KBOX. So that station must be down your way. none identified the station, but most all reports mentioned devil land Jazzy from the str.  
KBOX is 5 kw. Too bad they were on as I will not get much from the west coast I'm afraid. hi. got 5 reports from Chicago tho. Yes, the @ program was set up for the national radio club. C O L
