Mr. David F. Thomas

Dear Mr. Thomas:

Many thanks for your correct report of reception of KBRC during our DX program of Jan. 16, 1956. This is your verification of reception.

We received about 50 reports from all sections of the country. The boys in the midwest generally got good reception, but most of them around your section of the country reported very poor reception -- not only of us but of all DX.

Sincerely yours,

KBRC, Mt. Vernon, Wash.
