

KBRC

500 watts... 1430 k.c.... Unlimited Time

SERVING THE "RICH SKAGIT VALLEY" AND SURROUNDING
AREAS INCLUDING SKAGIT, ISLAND, AND SAN JUAN
COUNTIES. PRIMARY MARKET OVER 65,000 POPULATION.

POST OFFICE BOX 240
MOUNT VERNON, WASHINGTON
25 March 1951

David F. Thomas
Proctorville, Ohio.

Dear Sir:

This is to inform you that KBRC was operating at the time of your report due to flood conditions in the Skagit valley, however, I do not feel justified in confirming your reception report on such meager report... Your listening posts certainly must have been in poor receiving locations as I have verified quite a number of reports from all over the U.S.

Better "luck" next time
