Mr. David F. Thomas  
Proctorville, Ohio

Dear Mr. Thomas:

At the request of K F I O we are very glad to acknowledge your report of reception of its test program on March 22, 1932.

K F I O is a 100 watt station located in Spokane and it is encouraging to that station to know that it can be received at so great a distance.

We are enclosing herewith a booklet giving you general information on Spokane and if you are interested in receiving any additional material on our city do not hesitate to call upon us.

Very truly yours,

Managing Secretary

J. A. Ford-H
