Dear Mr. Thomas,

Please forgive our delay in responding to your nice letter of the 6th of November regarding our test broadcast, but things get fouled up around here, and we would mislay our heads if they weren't screwed on tight. K-SP

The response to our test broadcast of the Fifth of November have been very gratifying. We have received letters from nearly all the Continental United States and almost every province in Canada.

Thanks for writing.

Sincerely,

Dave Linder
