SEATTLE, WASH.

February 28 1940

Dear DXer: David F. Thomas

We are very glad to be able to verify your reception of
of KRSC on February 19 1940

We operate on a power of 250 watts, from 6 AM to 2 AM
daily. Pacific Coast Standard Time.

Our radiator is vertical 218 feet tall.

We are increasing our power in a short time, to one kilowatt
and hope to have the pleasure of verifying your reception of KRSC
again at that time.

Sincerely yours,

Harold N. D. [Signature]

for KRSC
