Mr. David F. Thomas,  
Proctorville, Ohio.

Dear Mr. Thomas:

I hope you will forgive our delaying this verification of your reception of our station December 2nd. I assure you the delay was occasioned by nothing more than an unusually busy Christmas season.

Your report did, indeed, check with our station log. It was mighty nice knowing your reception was good, and that we had a radio "friend" listening.

We hope you'll not forget to tune in again sometime. We'll enjoy hearing further from you.

Yours very truly,
