Mr. David F. Thomas,
Proctorville, Ohio, U.S.A..

Dear Mr. Thomas:-

Thank you for your report of reception of KUJ's DX program on Monday Morning, February 15 from 12:00 to 12:30 AM PST. This will serve to verify your reception.

I checked your Jan 20 report against our log and find that according to the log you were not receiving KUJ at the time you mentioned.. I do thank you for returning the report to us, however, as the information thereon is of interest.

I would say that you have quite a listening installation. You should have quite a file of verifications -- especially if you have been searching ever since 1932 when you first received a verification from KUJ.

Thanking you again for your report and wishing you much DXing fun, I am

Cordially,

Edgar T. Carter
