Dear Mr. Thomas

I am sincerely thankful for your fine report of our program the morning of December 19, 1951. According to other reports that I have been receiving from the Eastern Seaboard, my signal evidently didn't drop off too much after going by you. Seems I had quite a bit of competition from some high power stations that under normal conditions would not have been broadcasting at that hour. Your logged report is correct and agrees exactly with the running log maintained here at KULE for verification purposes.

Thanks once again for your fine report, and may I take this time to wish you a Very Prosperous New Year.

Sincerely

Ch. Eng.
