Mr. David F. Thomas
Po Box 1613
Proctorville, Ohio

Dear David:

Thank you for letter reporting reception of WBEB.
Yours is the first letter we have had from Ohio.

The tune you jotted down wrong was "Basin Street",
and all I was doing that Night was playing a bunch of Dixieland
records, which I like.

For your records, Our transmitter is a Western Electric
one-kilowatt job, our tower is Stainless 195 feet high, and we
operate daytime only, non-directional.

Thanks again for the report.

A handwritten signature in blue ink, appearing to read 'AS', is located below the typed name.
