Mr. David F. Thomas
Procterville, Ohio

Dear Sir:

Thank you for your reception report of WDSM on December 25. We were on late with a broadcast of the midnight mass from the Cathedral here in Superior. Since going on the air with the new power and frequency, your report is the farthest East we have had. We get into Michigan quite often, but that's about all.

Sorry to delay this verification, but I have been very busy. Thanks again for the report.

Yours very truly,
