Dear Mr. Thomas:

We are indeed glad to verify your report on the reception of our test program of October 27, 1931. Word from you is gratifying as this program went on the air entirely unannounced beforehand.

We expect to make some changes in our equipment before long and plan to have a real DX party, at which time we hope you will be with us. This will be scheduled far enough ahead to be announced through the press.

Thank you for your report. It will be a pleasure to hear from you again.

Cordially yours,

H. B. McCarty
