Good Morning;

I regret that I am unable to verify your reception report of WNN0 (AM) on 12/27/76. At 1:34 AM CST we were broadcasting music ("Georgia Porcupine" by George Fischhoff) and not tone.

The majority of the early reports that we have received have indicated interference by WNOX, so you are not alone in having trouble 'digging us out'.

I appreciate the letter and hope that you will be able to log us sometime in the future!

Sincerely;

John Taylor
