Dear Mr. Thomas:

This is to verify your reception of WCEF on May 8th, 1954. We were happy to receive your letter, however, we were not too surprised, as we have had reports from individuals that they have received us on regular car radios as far south as Huntington. But we do appreciate very much having written proof of this coverage of Southern West Virginia and Ohio.

Thanking you again, and hoping you will notify us again of further reception in other parts, I remain,

Sincerely,

  
C. E. Franklin
