Dear Mr. Thomas:

This letter is in confirmation of your letter dated November 13th.

The program you referred to, TWILIGHT TIME is really NITE RIDE.....featuring music til twilight time.....(which is sign off).

In regard to the Courtesy Program, due to go on the air November the 11th.....We must admit that when a station is run only by three people, there are bound to be slip-ups, and this time that was the victim.

We have written to Len Kruse of the Courtesy Program Committee in order to re-schedule the broadcast.

Hoping you'll be on hand to bring in that program.

Thanks for your cooperation.
