TELEPHONE WHG. 6700

February 16, 1951

Mr. David F. Thomas
Proctorville, Ohio

Dear Sir:

Thank you for your card concerning reception of our station on February 1. Your report of the programs heard is correct.

We are operating with a power of 5 KW, daytime only, non-directional, using a Gates BC 5A transmitter.

Thanks again for your card.

Sincerely yours

WHEELING BROADCASTING CO
