Mr. David F. Thomas  
Radio W.U.M.S.  
P. O. Box 11531  
Tampa, Florida 33610

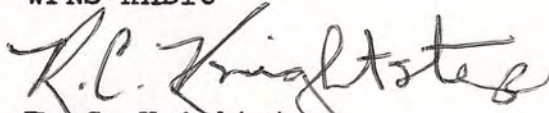

Dear Mr. Thomas:

Thank you very much for your letter of July 21, 1971 regarding reception of our signal in the Ky. and Tenn. areas. We were quite interested to hear that you were quite familiar with our area and appreciate your taking the time to let us hear from you.

We were surprised and pleased to learn that we were being heard from that distance. Thanks again.

Very truly yours,
