Radio W.U.M.S.
Proctorville, Ohio

Dear Mr. Thomas:

There is no mistake as we have deleted our FM operations.

FM in this area with 5 KW AM is not a paying operation. FM was on the way out here when the former management started operations.

It is sorry but true TV has hurt many of the FM stations, and I expect that you will see many of them off the air in the near future.

We found very few people in this area that would listen to FM. Those that did were only after some special program not being broadcast over the regular AM.

I trust that this answers your need for information, and if we can be of any help in the future feel free to call on us.

Very truly yours,

RADIO STATION WVOW
