Ohio,

Dear Sir:

This letter will verify your reception of our DX program on February 28th, as your report checks 100% with the program log here.

Sorry the QRN almost took us out of the picture. Conditions were a bit better on the west coast.

You have one of the most elaborate antenna set ups we have noted on any SWL's card to date.

Wishing you and all members of the International DX'ers Society a lot of good reception in the future.

Best 73s,

*Lizette Wolf*
