

11/30/95

November 17, 1995

Please confirm for my records receipt of your transmission signal as follows:

Call Letters: WILI
Location: Willimantic, CT
Frequency: 1400
Date: November 14, 1995

Time:

0757 EST - Story on Animal Science Dept @ UConn
0800 EST - News
0805 EST - ad Blue Cross/Blue Shield of Connecticut

The signal faded in and out and was under WIDE in Biddeford, ME which is a very strong station at this frequency. Any information on your station and programming would be appreciated.

The signal was received at Marshfield, Massachusetts, a coastal community 30 miles south of Boston, Ma.

Enclosed is a self-addressed, stamped envelope.
