From: Flyin' Brian Walsh(asst: Chief Eng)

Date: February 1, 1995

Subject: Reception Report

Dear Philip;

Thank you for taking time to mail us the reception report from January 23, 1995. Hows WBZ doing these days? I have not been able to listen to WBZ lately due to a local station on 1030KHz conducting D.A.B. tests from time to time. Thanks again for listening to WOWO.

Cordially;

Flyin' Brian Walsh
