The signal was relatively strong. Usually it is blocked out by the WJTO Bath, ME at 730 or WJIB in Boston at 740. Today you were clear with little interference. I would appreciate your confirming the reception.

The signal was received at Marshfield, Massachusetts which is a coastal community located thirty miles south of Boston, Massachusetts.

I have enclosed a stamped, self-addressed envelope.

Thank you for your consideration.

Sincerely,

Phil Greenspan
