Dear Phil:

Thank you for your letter confirming receiving WNBF Radio on our 1290 AM frequency. The identifiers are, indeed, ours. WNBF is a 5000 watt AM station in Binghamton, New York and is affiliated with NBC and Westwood One (the David Essel Show). Hope you are able to pick-us up again in the future.

Sincerely,

A handwritten signature in blue ink that reads "Roger Neel".

Roger Neel, WNBF

Program Director
