Dear Phil,

Greetings from Sarnia, Ontario Canada!. My apologies for being so late with this return letter. We are very busy here. My name is Dave Connors and I am the Engineer here at CHOK. I am new to this position but I have been here for 4 years. CHOK is an AM radio station with an output power of 10 000 watts.

We are very pleased that you were able to tune us in Massachusetts. The information that you heard is correct and yes you were able to tune in the number one radio station in the city!

As I write this letter to you I have two more also to write! One letter is far from you being Finland the other being in Sweden.

Once again thank you for the letter please find enclosed some bumper stickers. Please do not hesitate to write again. Good luck with your listening hobby!

Yours Truly,

Dave Connors E.E.T , Chief Engineer CHOK
