Dear Phil:

Thank you for your recent letter dated November 29, 1995. I always find it exciting when people in far away places receive our radio station!

Our radio station is a 1000 watt AM station based in Pembroke, Ontario which is nestled along the banks of the Ottawa River. In April of 1996, we will be "flipping" to the FM dial at 96.7 and pushing 100,00 watts of pure FM power. Our format is Adult Contemporary targeting adults in the 25-54 demographic.

Thanks again for your letter and a Merry Christmas to you and your family!

Best regards,

Scott Sexsmith
