December 4, 1995

Dear Mr. Greenspan,

The information contained in your QSL report of November 29, 1995 was correct, according to our logs.

This letter will confirm that report.

Good luck on your listening and the best of 73's.

Sincerely,

A handwritten signature in blue ink that reads "Harold P. Showman".

Conditions Governing Broadcasting

- All rates are net per broadcast.
- The station management reserves the right to reject any advertiser and/or advertising copy. Program content is likewise subject to approval by the management of the station.
- Weekly rates are based on consecutive weeks of uninterrupted broadcasting.
- Contracts cancelled before completion will be charged rate actually earned. No rebates are permitted.
- Announcements and programs cannot be combined to earn greater discounts.
- The station reserves the right to limit the number of spot announcements in any given period of time, daily or otherwise.
- Weather forecast and time signal rates on request.
- Payment for political broadcasts must be made in advance.
- Statements are due upon receipt of such.
- Rates quoted are for time only. Extra charges for remote broadcasts, jingles, special production and the like, on request.
