Mr. Paul A. Thomas

Dear Sir:

This letter will serve as a verification of your report of reception of Radio Station KFFA, Helena, Arkansas on it's Special D X program of January 28, 1950.

The Chief Engineer wishes to thank all DX'ers for their technical information concerning reception of KFFA. This information is highly valued by all members of the staff of KFFA as a yard stick of performance during the early morning hours. We invite you to report at any time. I wish to draw attention, also, to the efforts of Mr. Hugh Smith, Program Director, who assisted me that night with the program on "Arkansas Morning" on the air.

Sincerely yours,

A. P. Decker.
