Dear Sir:

I find your report of reception of K.F.P.W. at 7:33 A.M. C ST
On 10-31-50 satisfactory for verification. Thank you very much
for your report and I assure you that we appreciate it very much.

K.F.P.W. was founded in Fort Smith, Arkansas in 1930 with
50 watts power. Sometime later the power was increased to 100 watts.
In 1939 the power was increased to the present 250 watts. We are
using an R.C.A. 250-K transmitter. Overall height of our antenna
is 391 feet. This is including a 62 foot G.E. P.M. antenna. P.M.
power MP 14,000 watts. Our studios occupy a two story mansion in
its entirety. Speech equipment is Western Electric 25-B console. We
have one of the most complete recording installations in the South.
This is all Presto equipment.

Again I wish to extend my thanks and would like to assure you
that we appreciate your report and interest in such a great field
as radio.

Very truly,

Willard E. Kunkel
