March 13, 1951

Mr. Paul A. Thomas,  
Proctorville, Ohio.

Dear Mr. Thomas:

We are pleased to confirm your reception of KCKY March 5, 1951, as reported in your letter of the same date.

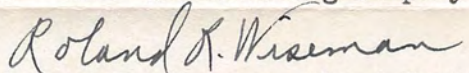

Thank you very much for your detailed and interesting report. It was a pleasure to schedule this program for the Newark News Radio Club, and we are glad that you were able to participate. We are glad, too, to be your first Arizona verification.

The Gila Broadcasting Company has two other stations in Arizona: KWJB in Globe, 250 watts, and KGLU in Safford, 1000 watts. KCKY uses a directional antenna array between sunset and sunrise, radiating three lobes, one of which is in your direction.

KCKY is on the air from six AM to midnight Monday through Saturday, seven AM to midnight Sunday, MST.

Sincerely,

KCKY - Gila Broadcasting Company
