920 King Street, Wilmington, Delaware

Mr. Paul A. Thomas
Proctorville, Ohio

Dear Sir:

This will verify your reception of radio
Station WILM on February 14, 1949.

We have checked our logs and found that your
report is correct and agrees with our program which was
broadcasted on the above date.

In the near future we plan on building a new
transmitter plant, the details of which are not available
for publication at this time. However, since such is the
case I hope that I may be able to call upon you for other
reception reports.

Thank you again for your courtesies.

Sincerely,

DELAWARE BROADCASTING COMPANY
