Dear Paul:

I imagine getting your reception report so late is due to your waiting for NRC stationery on which to write it. Anyhow your report is hereby verified as being correct. You mention hearing W D C F on 2/27/56 between 4:45 and 4:56 A.M. EST. Thank you very much for the report, and you are number 40. We received 4 reports from California, one from Colorado, one from Nebraska, one from Michigan, several from the midwest and the Middle Atlantic states, and several from New England. Sure was a pleasure to put on the test program for you fellows.

So long until next time.
