Dear Sir:

I am pleased to verify your report of reception of WBGE's final DX Test Broadcast, conducted 7 November 1955 for the National Radio Club. Your description of program material for the time listed below has been checked and agrees with our records. Thank you for your report.

WBGE will close down tonight after more than eight years of broadcasting. On 21 November the station's facilities will be taken over by WAKE, owned by Bartell Broadcasters, Inc. Since WAKE plans all-night operation, you may wish to add it to your "verified" list. Chief Engineer will be Mr. Charles Hoge.

Yours truly,

Lorimer Clayton Jr.
