Dear Mr. Thomas:

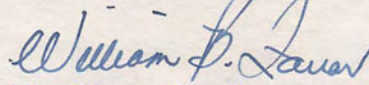

I regret very much the delay in answering your letter of January 22, 1951, but I have only recently discovered that you have not received a reply.

This is to verify the fact that you did receive this station on January 21, 1951 from 4:35 to 5:00 A.M. EST.

This station went on the air August 27, 1950. We use new General Electric equipment throughout except for our limiting amplifier which is a Progar. Our tower is a 250 ft. Stainless.

Cordially yours,

RADIO STATION WGTA
