BRUNSWICK, GEORGIA

March 31, 1956

Paul A. Thomas
Box 1614
Proctorville, Ohio

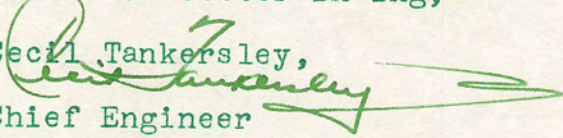

Dear Sir:

Thank you for your reception report dated
March 29, 1956.

This letter is to confirm reception of this
station from 3:02 to 3:15 AM, March 29, 1956.
It is interesting to note the all-nighters
causing interference on our frequency.

Yours for better DX-ing,

Cecil Tankersley,

Chief Engineer
