Dear Paul:

Many thanks for your report stating that you heard the special DX program from KNWS.

Your report has been checked with the program log and found to 100% correct. This letter is **VERIFICATION** of your reception of radio station KNWS on November 8, 1954 from 2:00 AM to 2:30 AM CST.

We were very happy with the results of the test as we received a total of 76 reports from 30 states, Canada and New Zealand.

We surely enjoyed putting on this test for the National Radio Club and if you're ever in the vicinity of Waterloo be sure and drop in at KNWS.

We're very sorry for delay in this verification but it was unavoidable. Thanks again for tuning us in and here's wishing you the best of DX.

Yours,

Ken Carson
