Mr. Paul A. Thomas
Proctorville, Ohio

Dear Paul,

The staff and management of KWCR wish to thank you for your letter of Nov. 13 reporting reception of our station on that date during a special DX program for the members of the Newark News Radio Club.

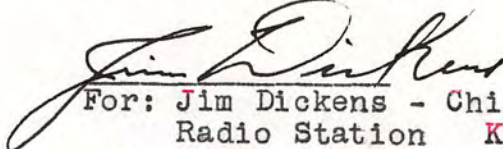

Please accept this letter as official verification of your reception of KWCR - 250 watts - 1450 kcs. - on Sunday morning - November 13, 1949 from 1:00 to 2:00 a.m. CST.

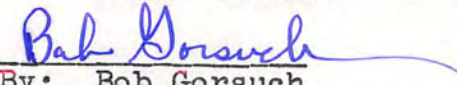

The transmitter at KWCR is a Collins 300G made here in Cedar Rapids, Iowa. The associated studio and remote equipment is also mostly of Collins manufacture.

KWCR is planning another DX program for the third Monday morning in January and we hope to hear from you again at that time. Watch the NNRC or NRC bulletins for the hour of this forthcoming broadcast.

Looking forward to hearing from you again, and wishing you continued success in your DX listening, we are,

Very truly yours,

For: Jim Dickens - Chief Engineer
Radio Station K W C R.
