Dear Mr. Thomas:

Your report on our special DX program during the early morning hours of February 5th checks with our DX log, so you can add this letter to your collection.

Its just too bad that there was interference from the other stations during this DX program, but we've had this same report from every one writing us from the east. All stations on 1240 were asked to standby for the two hours we were on the air with our DX program, but evidently these two stations did not remember, or did not care.

All in all tho we've received some interesting data and mail from all over the country.

Best wishes.

Yours very truly,

W C R W Radio Station
