Dear Mr. Thomas:

Thank you for your letter of February 8th reporting reception of WGN in Proctorville on February 7th. This is to verify that the programs mentioned by you were transmitted by us.

As you know, WGN is a clear channel station operating on 720 kilocycles with a power output of 50,000 watts.

We appreciate the interest you have shown in WGN by writing us and hope that you will continue to enjoy our radio programs.

Very truly yours,
