

WINI

500 WATTS	—	1420 KILOCYCLES
POST OFFICE BOX 647	—	MURPHYSBORO, ILLINOIS

Dear Mr. Thomas

Thanks for your report of reception - sorry to be so long about replying, but things have been in a rush at WINI for these first few months. We went on the air September 15 as a daytime independent.

Your log of our program checks with our information here, and it is a pleasure to confirm your reception.

Sincerely,

Chuck Blair
