Dear Mr. Thomas :

Thank you for your letter of January 31st in which you report reception of our station during our testing period January 30th.

The times, selections, and station identifications you list between 4:31 and 4:38 a.m., EST correspond exactly with our performance log for that period.

Yours is the first report we have had from your section of Ohio. Other reports we received after our last test were from Nebraska, New Hampshire, Massachusetts, and Pennsylvania.

Thanks again for your letter, and best of luck in your radio activity.

Yours very truly,

RADIO STATION WBRN
