Dear Paul,

Thanks very much for your report of reception of our DX program for the National Radio Club on January 27, 1952, from 0402-30 to 0516-30. Your report was correct and we are pleased to send this verification.

I'll fill in a couple of places where you didn't get us quite right. M in the call code was Mary, not Man. It is Barbara Fritchie, not Barbara Frenchie; complete information in the famous poem by that title. The third famous Frederick citizen was Roger Brooke Taney, one of the greatest chief justices of the Supreme Court. The info on Frederick was given by Doug Weddle, not Don Douglas. The FM transmitter is located on top of Catoctin Mountain.

Your report of reception was the 28th, I believe. Thanks very much, and if sometime in the future you hear, us, though you already have a verification, we'd like to hear from you.
