Dear Mr. Thomas:

We wish to thank you for your recent report of our NNRC-DX test on December 28, 1949. Please accept this letter as your verification of our call, KICK, on that date from 2:52 to 3:01 am, CST.

KICK is Gates throughout, with RCA speech equipment and a 176' Lehigh tower. We conduct a frequency check the 4th Wednesday from 1:20 to 1:35 am, CST, and use a 500 cycle note at this time.

The results of our DX were very gratifying, and we are planning another program for March. Hope you might hear us at this time.

Yours sincerely,

RADIO STATION KICK
