Mr Paul A. Thomas
Proctorville, Ohio

Dear Paul,

This is to acknowledge your report of reception of WVOT Sunday morning Jan.15, 1951 during our test programs. After checking our test logs I find your reports to be correct.

WVOT operates on 1420 Kcs. with a power of 1000 watts day and 500 watts night Dir. Ant. We begin our broadcast day at 6:00am and sign off at 11:00P.M. I wonder if you can pick us up during these hours.

Let me take this opportunity to thank you for this report.

Very Truly Yours,
Dan Williams
