MILLVILLE, NEW JERSEY

Mr. Paul A. Thomas
Proctorville, Ohio

Dear Mr. Thomas

This is to confirm your reception of our station on April 8th, 1955 at 1:06 A.M. E.S.T. during our frequency check. Thanks for your report.

One funny thing you may be interested in, is that RCA frequency measuring laboratory did not hear our signal on that morning.

Very Truly Yours

Charles M. Hughes
