Dear Sir,

This is VERIFICATION of your reception of our station
on Jan. 15, 1951 from 4:22 to 5:00 A.M. EST.

Saint Marys is located in the north-western part of
Penna.

We don't think of WKBI as a St. Marys Station , but as a
two county station, those counties being Elk and Cameron. We
maintain studios through-out those counties in the following
cities Ridgway-St. Marys-Emporium and soon in Johnsonburg.

Your reception report was greatly appreciated and
anytime WKBI can be of any service to you ~~and~~ ~~and~~ our fullest
co-operation can be depended upon.

Yours DXingly,
