Dear Mr. Thomas:

This is to confirm your reception of our station on the morning of January 5th., 1952, while we were checking frequency. Your report checks with our logs and I am happy to confirm your reception.

We were very glad to hear from you, as it was our first letter from your town, and even if it weren't, we are still glad to hear from all you fellows out there.

Thanks again for your letter and we hope to hear from you again sometime.

Yours very truly,

John Hughlett
