Dear Mr. Thomas:

Better late than never---which is the way we hope you feel about this verification of your report on our November frequency check.

Many thanks for your detailed letter which essentially compares with our log except for a minute's difference in our clocks.

Our frequency test programs are on the air the third Monday of each month at 3AM EST. The next is on 18 Feb.

Thanks again for writing, and best of DX in the future.

Mutually yours,

Oscar Gildemann
